DETAILED ACTION

1. This Action is in regards to applicant's correspondence of 18 January 2002.
2. With regards to the Assignees establishing their ownership interest in the patent on which the reissue application is based, applicant has faxed an Official copy of the assignments in the chain of title at the request of the examiner and they have been entered. Examiner wishes to thank the Attorney for prompt response..
3. The reissue oath/declaration filed with this application is defective (see 37 CFR 1.175 and MPEP § 1414) because of the following:
4. Claims 1-33, 34-39, 54-59, and 69-73 rejected as being based upon a defective reissue US5548646 A under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The reissue declaration fails to particularly point out at least one error being relied upon as a basis for the reissue. Item 5 in the reissue declaration is not acceptable because it fails to specifically point out the change(s) or amendments(s) to the claims.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not

mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
